

Sprint 2 Report

Product: Nimble

Team Nimble

February 21, 2018

Actions to stop doing:

Nothing.

Actions to start doing:

Break user stories into tasks better. Add more coding sessions if necessary.

Actions to keep doing:

Sunday coding sessions. Keep updating Trello.

Work completed/not completed:

Completed all user stories:

1. As a user, I want basic navigation to each section so that I can jump around if I need to. (3)
2. As a user, I want basic navigation to each section so that I can jump around if I need to. (3)
3. As a user I want a section to learn common vocabulary so that I am more comfortable with common vocabulary. (2)

Work completion rate:

User stories finished: 3/3

Ideal work hours: 48

Final Burnup Chart:

Sprint 2 Burnup Chart
