

Sprint 2 Plan

Product: Nimble

Team: Nimble

Release 1.0 3/19/18

Revision 1.0 2/5/18

Goal: Create basic navigation and basic quiz interface.

Task listing, organized by user story:

User story 1: As a user I want basic navigation to each section so that I can jump around if I need to.

- Update existing navigation
 - Button Animations (1 hr)
 - Add drop-shadow (1 hr)

User story 2: As a user I want a section to learn common icons, so that I am more comfortable with common icons

- Create content
 - Make a Introductory Page for Icons (3 hrs)
- Icons: Matching
 - Click icon to match with definition/app (18 hrs)

User story 3: As a user I want a section to learn common vocabulary, so that I am more comfortable with common vocabulary.

- Create content
 - Make an introductory page (3hrs)
- Vocabulary: Flashcards (12 hrs)
